Unlock your scoring potential
with Summit's **ONE-ON-ONE,**
IN-HOME Tutoring

Get started thinking about your test prep plans!

Take Summit's FREE diagnostic test and receive a computerized analysis of your results. Learn what your strengths are and find out what areas need improving. Call 1-800-MYTUTOR [800-698-8867] to review your results and test prep options with a Program Director...so you can make the informed choice.

One-on-One, In-Home Tutoring You're busy. You need flexibility. That's why we come to your home, on your schedule. The comfort of your home, at a time that's **convenient** for you is where and when you learn best.

Expert Tutors Our highly qualified tutors are carefully selected to match the learning style, personality, and goals of the student. Your tutor becomes an **indispensable** resource that you can rely on.

Personalized Approach We understand that each student learns differently and has unique strengths and weaknesses. That's why our one-on-one, in-home programs are **customized** – from the program recommendation, to the tutor matching process, to the instruction itself. We create a plan that is based on your specific score goals and needs.

Call a Program Director today at 1-800-MYTUTOR
for your FREE diagnostic test and computerized analysis.
